About the GIS

The Global Innovation Summit (GIS) is the GFCC's flagship event, a prestigious gathering of C-suite and cabinet-level leaders working across sectors to advance innovation, competitiveness, and prosperity. The 2024 Global Innovation Summit will bring together leaders from all sectors and dozens of countries to analyze the opportunities and develop strategies to further global sustainability and economic inclusion.

Since the inception of the GFCC, the Summits have been held in various locations worldwide: the U.S. (2010), Brazil (2011), the U.A.E. (2012), Korea (2013), Canada (2014), Saudi Arabia (2015), the U.K. (2016), Malaysia (2017), Argentina (2018), Kazakhstan (2019), online (2020 in partnership with the Government of Australia and 2021 with the Council on Competitiveness), Greece (2022), and U.K. (2023).
